Taking Notes

- Review your notes after each class
- Do not write down everything you see or hear
- Listen for verbal cues and important words
- Be an active listener
- Write neatly
- Leave room for notes
- Color code your course notes
- Use 3-ring notebooks

Selecting Main Ideas

- Preview the summary
- Utilize the chapter summary
- Compare your notes with another class member
- Look for key words
- Important to remember: "It is within the lecture, such as, in summary."

Memorization Strategies

- Chuck information together
- Group and organize
- Use mnemonics
- Immerse yourself
- Use note cards
- Review often
- Create silly sentences
- Images
- Create unforgettable connections
- Look for logical use all of your senses
