Hump Day Training

Wednesday afternoons the Professional Development Lab is reserved for you.

Come Alone or Bring a Friend!

The Professional Development Lab (Room 042 lower level of the library) has new mobile tables and chairs which are easily configurable for faculty and staff groups - large and small.

Reserve a seat in the lab if you want to do some online training, or your department wants to arrange customized training or to use whatever your computer training need.

If you need someone from ITS to assist, we can do that too.

Email Jean Childress in advance to let us know what you need and how many are in your group. If you need access to Lynda.com for online video tutorials.

Jean can also assist with that.
