BASKETWEAVING 101

WEEK 1 - We will complete an 8 inch Melon Basket, partially attached with diamond weave and 2 ribs.

WEEK 2 - We will complete an 8 inch Egg Basket, partially attached with diamond weave and 1 rib.

WEEK 3 - We will complete a 10 inch Granny Basket with diamond weave.

WEEK 4 - We will complete an 8 x 12 inch Oval Market Basket.

MATERIALS

You will want to bring a large and small scissors, and tape measure. I will provide all basket weaving materials, as well as a variety of yarns to embellish and personalize your baskets. If you like you can bring special yarns/fibers of your own to add.

A $25 materials fee will be collected at the first class, and the $75 balance will be collected at the second class. (cash or check, no credit cards please)

Each week is designed so you will learn a different skill and will build on those skills as you progress and complete each basket. It is my priority to ensure that all my students successfully complete 4 functional and beautiful basket forms, and hopefully enjoy the process!

Bring your favorite AM drink and I will provide donuts. Looking forward to a fun and fabulous weaving time together!
