Program Summary:

Delve into the fascinating lives and history of women who made their mark on the culture of Appalachia as you explore three enriching topics in the shadow of the Blue Ridge Mountains. With experts, explore the culture of the Cherokee and learn about their matriarchal and matrilineal customs. Consider the legacies of Appalachian women in history and learn about the influence of early Scottish settlers. Enjoy performances with storytellers and musicians, and venture to Franklin, where adventures take you to historic museums and significant Cherokee sites.

Program Highlights:

- Learn about the intriguing history and culture of Appalachia from the women’s point of view.
- Discover cultural museums and significant Cherokee sites on a field trip to historic Franklin.
- Delight in a week of stories and songs that illuminate the influence of Scottish women, from the Jacobite rising to the Industrial Revolution.
