Students may use Furman’s Intern Summer Fellowship process to:

- Apply for funding* for low or unpaid full-time (280-320 hours over 8-12 weeks), summer internship or off-campus summer research that meets the criteria for high impact practice;
- Determine eligibility for on-campus summer housing discount – you will also need to apply on Housing’s homepage prior to their deadline in order to be eligible; and
- Enroll in TFA-003 zero credit course.

*Funding may not be used:
- Towards tuition costs to fund workshops, institutes, travel study programs, courses, or other similar learning experiences;
- With other scholarship awards (i.e., Hollingsworth, Townes, Duke, Pathways Scholarship, Summer Research Fellowships, etc.); or
- For travel to countries listed as Level 3 & 4 on the State Department Travel Advisories List. To request an exception to a country or areas listed as Level 3, students must submit a petition to the Office of the Provost. Contact the Study Away office for more details.

The deadline for submitting a completed Intern Summer Fellowship application is March 31, 2020:

- Students who apply for funding must complete and submit all three sections of the application - Student Section, Organization Form and Faculty Recommendation - by March 31, 2020.
- Students who apply for the on-campus summer housing discount* and/or TFA-003 zero credit course must complete and submit the Student Section and Organization Form by March 31, 2020.
